ORGANIZATION AND DIRECTORS

The Seminole County Port Authority, organized July 15, 1966, was created under the provision of Chapter 65-2270, Laws of Florida, as amended, for the purpose of constructing, equipping, and operating a port facility in Sanford, Florida. This provision was subsequently repealed and re-enacted to Chapter 2010-240 of the Laws of Florida.

The Board of Directors are appointed by the Board of County Commissioners of Seminole County. Board members of Seminole County Port Authority for the year ended September 30, 2022, were as follows:

Dana McBroom - Chairwoman

Susan Sherman – Vice Chairman

Michael Caraway – Treasurer

Bill Spivey – Secretary

Harry Ellis III

Amy Guilfoyle

Mathew Criswell

Cliff Miller

Commissioner – Andria Herr

Andrew Van Gaale - Administrator

Jennifer Sykes – Business Office Manager

INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Seminole County Port Authority
Sanford, Florida

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of the Seminole County Port Authority (the "Authority"), a component unit of Seminole County, Florida, as of and for the years ended September 30, 2022 and 2021, and the related notes to the financial statements which collectively comprise the Authority's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Seminole County Port Authority, as of September 30, 2022 and 2021, and the changes in its financial position and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Authority, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Robert Kimelman, CPA
Thomas J. Frank, CPA
Vanessa R. Talley, CPA

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether in our judgment there are conditions or events, considered in the aggregate, that have substantial doubt about the Authority's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Emphasis of Matter

As discussed in Note 1, the financial statements present only the enterprise fund of the Seminole County Port Authority; and do not purport to, and do not, present fairly the financial position of Seminole County, Florida; as of September 30, 2022 and 2021, the changes in its financial position, or, where applicable, its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that management's discussion and analysis on pages 7 through 12 and Schedule of Proportionate Share of Net Pension Liability of Florida Retirement System and Health Insurance Subsidy and Schedule of Contributions of Florida Retirement System and Health Insurance Subsidy on pages 30 through 31 be presented to supplement the financial statements. Such information, although not a required part of the financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the basic financial statements of the Authority. The accompanying Schedule of Revenues and Expenses – Budgeted and Actual – Cash Basis on page 33, for the year ended September 30, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Revenues and Expenses – Budgeted and Actual – Cash Basis, for the year ended September 30, 2022 is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated January 31, 2023 on our consideration of the Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, rules, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial control or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

SEMINOLE COUNTY PORT AUTHORITY MANAGEMENT’S DISCUSSION AND ANALYSIS

The Seminole County Port Authority’s (the “Authority”) discussion and analysis is designed to (1) assist the reader in focusing on significant financial issues and activities, and to identify any significant changes in financial position, (2) provide an overview of the Authority’s financial activity, (3) identify changes in the Authority’s financial position (its ability to address the next and subsequent years’ challenges), and (4) identify issues or concerns. This discussion and analysis is intended to serve as an introduction to the Authority’s financial statements, which is comprised of the basic financial statements and the notes to the financial statements. Since the Authority is comprised of a single enterprise fund, no fund level financial statements are shown. This financial report also contains the following items to enhance the readers understanding of the financial data:

- Supplemental information concerning the Authority’s Schedule of Revenues and Expenses – Budget and Actual – Cash Basis.
- Notes to the financial statements which convey a full understanding of the Authority’s financial statement data.
- Required supplemental information concerning the Authority’s proportionate share of the net pension liability and required contributions for the cost-sharing defined-benefit pension plans in which it participates.

We encourage readers to consider the information presented here in conjunction with the financial statements as a whole.

Authority Highlights

- The average occupancy rate for the fiscal year ended September 30, 2022 was near 100%.
- \$400,000 was contributed to Seminole County during the year.
- Operating income decreased by approximately \$54,000 over the prior year.
- All rents due for the year ended September 30, 2022 were collected prior to that date.

Financial Highlights

SEMINOLE COUNTY PORT AUTHORITY MANAGEMENT'S DISCUSSION AND ANALYSIS

Financial Highlights - continued

- Net position serves over time as a useful indicator of the Authority's financial position. As a result of the current year's operations, the Authority's total net position increased approximately \$398,000 over last year and was approximately \$11,700,000 at September 30, 2022. 70% of the Authority's net position at September 30, 2022 represents investment in capital assets.
- Unrestricted undesignated net position increased by approximately \$994,000.
- Revenues increased by approximately \$70,000 or 4%, in 2022, primarily due to increases in rental rates. Operating expenses increased by approximately \$124,000 or 10% from the prior year. The resulting current year operating income before depreciation was approximately \$1,452,000. Depreciation was approximately \$659,000, while net non-operating income was approximately \$6,000.

OPERATING EXPENSES BY FUNCTIONAL CATEGORY

FYE September 30, 2022

FYE September 30, 2021

Basis of Accounting

The Authority's financial statements are prepared on an accrual basis in accordance with U.S. generally accepted accounting principles promulgated by the Governmental Accounting Standards Board (GASB). The Authority is structured as a single enterprise fund with revenues recognized when earned. Expenses are recognized when incurred, not when they are paid. Capital assets are capitalized and are depreciated (except land) over their useful lives. See the Notes to the Financial Statements for a summary of the Authority's significant accounting policies.

**SEMINOLE COUNTY PORT AUTHORITY
MANAGEMENT'S DISCUSSION AND ANALYSIS**

Basic Financial Statements

The basic financial statements are designed to provide readers with a broad overview of the Authority's finances in a manner similar to a private-sector business.

The Statement of Net Position present information on all of the Authority's assets and liabilities, with the difference between the two reported as net position. Increases or decreases in net position may serve as a useful indicator of whether the financial position of the Authority is improving or deteriorating. Net position increases when revenues exceed expenses. (in thousands)

The Statements of Revenues, Expenses, and Changes in Net Position present information showing how the Authority's net position changed during the fiscal year. All changes in net position are reported as soon as the underlying event occurs, regardless of timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods. SEMINOLE COUNTY PORT AUTHORITY MANAGEMENT'S DISCUSSION AND ANALYSIS

Basic Financial Statements – continued

The Statements of Cash Flows provides information about the Authority's cash receipts and cash payments during the reporting period. The statement reports cash receipts, cash payments, and net changes in cash resulting from operations, investing, and capital and non-capital financing activities.

Cash and Cash Equivalents - Unrestricted

Cash Flows

- Cash provided by current year operations increased by approximately \$48,000 from the prior year primarily from increase in payments from tenants exceeding the increase in payments to suppliers for goods and services.
- Cash used in capital and financing activities decreased from the prior year by approximately \$612,000 due to a reduction in capital expenditures.
- Cash contributed to Seminole County, \$400,000.
- The net cash flow activity resulted in an increase in cash of approximately \$1,036,000.

The Notes to Financial Statements provide additional information that is essential to a full understanding of the data provided in the basic financial statements.

**SEMINOLE COUNTY PORT AUTHORITY
MANAGEMENT'S DISCUSSION AND ANALYSIS**

Capital Assets and Debt Administration

Capital Assets

The Authority's investment in capital assets amounts to \$8.2 million net of accumulated depreciation. Capital assets include land, right-of-way, roads, buildings, improvements, furniture and equipment.

During the current year there were minimal expenditures of capital assets during the year.

The Authority had its capital assets valued for insurance purposes during the current fiscal year. The replacement value of these assets amounted to approximately \$20 million.

Long-Term Debt

The Authority has no outstanding long-term debt.

SEMINOLE COUNTY PORT AUTHORITY MANAGEMENT'S DISCUSSION AND ANALYSIS

Capital Reserve Fund

For management and budgetary purposes, the Authority has established a capital reserve fund and designated funds to complete several improvement projects and has engaged an engineering consultant to assist in the preparation of a five-year capital improvement (CIP) plan in order to safeguard the public, tenants, employees and visitors. The Authority has designated approximately \$1.3 million of unrestricted operating funds to continue these capital improvement projects.

Following are general goals of the Capital Reserve Fund:

- Replace or upgrade the necessary components of the nearly forty-year-old infrastructure related to the drainage and storm water retention system and roadways.
- Improve the following facets of the Port Authority to enhance safety and functionality:
 - Common area lighting
 - Sidewalks, pedestrian accessibility
 - Signage / way finding
 - Rehabilitation of commercial buildings
 - Traffic circulation and intersection improvements
- Develop the remaining buildable area in the most appealing and economically rewarding way.
- Utilize the geographic features of the property including but not limited to the proximity and access to the St. Johns River / Lake Monroe, railroad proximity and the intersection of the Seminole and Volusia County Trails.
- Improve drainage on the property as both the development in the port and the development of the area surrounding the port has caused flooding to be an issue on the property.
- Add more flex space for high tech, professional entities and other desirable businesses.

Other Designated Funds

For management and budgetary purposes, the Authority has set aside approximately \$538,000 of unrestricted operating funds for working capital and to pay insurance deductibles in case of a catastrophic or non-catastrophic event to be able to operate in the wake of these potential events.

Contacting the Authority's Financial Management

This financial report is designed to provide a general overview of the Authority's finances and to demonstrate the Authority's accountability for the money it receives. If you have questions about this report or need additional financial information, contact the Authority's Administrator at 1510 Kastner Place, Suite 1, Sanford, FL 32771.

**SEMINOLE COUNTY PORT AUTHORITY
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2022 AND 2021**

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

The Authority is a component unit of Seminole County, Florida. Board members of the Authority are appointed by the Board of County Commissioners of Seminole County, Florida. There are no component units of the Authority as defined by the Governmental Accounting Standards Board (GASB).

Basis of Accounting

The Authority prepares its financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America for proprietary funds, which are similar to those for private business enterprises. Accordingly, revenues are recorded when earned and expenses are recorded when incurred.

Fund Accounting

Enterprise funds are used to account for operations (a) that are financed and operated in a manner similar to private business enterprises, where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or the change in net position is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

Operating Revenues and Expenses

The Authority's operating revenues and expenses consist of revenues earned and expenses incurred relating to the operation. All other revenues and expenses are reported as non-operating revenues and expenses.

Cash and Cash Equivalents

The Authority's cash and cash equivalents are considered to be cash on hand, demand deposits and short-term investments with original maturities of three months or less from the date of acquisition. The Authority currently holds \$400 collectively in petty cash and cash drawers.

The Authority invests public funds in a manner so as to place the highest priority on the safety of principal and liquidity. The optimization of investment returns is secondary to the requirements for safety and liquidity.

Cash and cash equivalents are carried at cost. The Authority's deposits are categorized to give an indication of the level of custodial credit risk assumed at year end. At present, the Authority's excess funds are primarily deposits that are insured or collateralized pursuant to the Public Depository Security Act of the State of Florida. Demand deposits and money market accounts are insured by federal depository insurance up to \$250,000 of the aggregate account balances for each entity. Amounts in excess of \$250,000 are fully insured by U.S. Government securities held in the Public Deposit Security Trust Fund maintained and monitored by the Treasurer of the State of Florida. Demand deposits and cash on deposit bank balances (before in transit items) on September 30, 2022 and 2021 were approximately \$4.5 and \$3.5 million respectively.

Budgets

An annual budget is prepared for managerial control over operations and as a planning tool. The budget is prepared and maintained on the cash basis even though the financial statements are maintained on the accrual basis of accounting as required by GAAP. The budget and actual comparison as reflected in the supplementary information is provided as a preference of the board and management of the Authority.

**SEMINOLE COUNTY PORT AUTHORITY
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2022 AND 2021**

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

Capital Assets

Capital assets purchased or acquired with an original cost of \$5,000 or more are reported at historical cost or estimated historical cost. Contributed assets are reported at acquisition value as of the date received. Additions, improvements and other capital outlays that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred.

Depreciation on all assets is provided on the straight-line basis over the following estimated useful lives:

Buildings	30-50 years
Furniture and equipment	3-10 years
Improvements	10-20 years

Fair Value of Financial Instruments

The Authority's financial instruments include cash and cash equivalents and receivables. The carrying amounts of these financial instruments have been estimated by management to approximate fair value.

Restricted Assets

Restricted assets represent security deposits held by the Authority.

Compensated Absences

The Authority accrues accumulated unpaid vacation and sick leave and associated employee related costs when earned (or estimated to be earned) by the employee. Annual leave accrues at varying rates, from 5 to 15 days per year depending on the length of employment. Upon termination, annual leave is paid subject to certain limitations. Sick leave accrues at one day per month up to a maximum of 90 days. There are circumstances that a terminated employee may be compensated a portion of their unused sick leave.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Equity Classifications

Equity is classified as net position and displayed in three components:

- a. Net investment in capital assets – Consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of debt that is attributable to the acquisition, construction or improvement of those assets. Currently the Authority has no debt outstanding.

SEMINOLE COUNTY PORT AUTHORITY
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2022 AND 2021

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

Equity Classifications - continued

- b. Restricted net position – Consists of net position with constraints placed on the use either by (1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments; or (2) law through constitutional provisions or enabling legislation. Currently there is no restricted net position.
- c. Unrestricted net position – All other net position that do not meet the definition of “restricted” or “net investment in capital assets.”

When both restricted and unrestricted resources are available for use, it is the Authority’s policy to use restricted resources to the extent they are available, then to unrestricted resources.

Deferred Outflows/Inflows of Resources

In addition to assets, the statement of net position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then.

In addition to liabilities, the statement of net position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time.

The deferred outflows related to pensions are an aggregate of items related to pensions as calculated in accordance with GASB Statement No. 68, *Accounting and Financial Reporting for Pensions*. The deferred outflows and deferred inflows related to pensions are an aggregate of items related to pensions as calculated in accordance with GASB Statement No. 68, *Accounting and Financial Reporting for Pensions*. The deferred outflows related to pensions will be recognized as either pension expense or a reduction in the net pension liability in future reporting years. The deferred inflows related to pensions will be recognized as a reduction to pension expense in future reporting years. Details on the composition of the deferred outflows and deferred inflows related to pensions are further discussed in Note 3.

Pensions

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Florida Retirement System Pension Plan (FRS) and Health Insurance Subsidy Program (HIS) and additions to/deductions from the FRS and HIS fiduciary net position have been determined on the same basis as they are reported by FRS and HIS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

Reclassification

Certain amounts reported in the prior year financial statements have been reclassified to conform to current year classifications.

Depreciation charged to operations for the years ended September 30, 2022, and 2021 amounted to \$659,1472 and \$602,562, respectively.

On September 30, 2022 depreciation consisted of \$359,138 related to buildings and improvements, \$296,300 for land and right-of-way improvements and \$3,709 for furniture, fixtures and equipment.

NOTE 3 – EMPLOYEE BENEFIT PLANS

Pension

The Authority participated in two defined benefit pension plans that are administered by the State of Florida, Department of Management Services, Division of Retirement. The plans provide retirement, disability or death benefits to retirees or their designated beneficiaries. Chapter 121, Florida Statutes, establishes the authority for benefit provisions. Changes to the law can only occur through an act of the Florida Legislature. The State of Florida issues a publicly available financial report that includes financial statements and required supplementary information for the plans that report may be obtained by writing to the Division of Retirement, PO Box 9000, Tallahassee, Florida, 32315-9000 or by calling (850) 488-6491.

**SEMINOLE COUNTY PORT AUTHORITY
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2022 AND 2021**

NOTE 3 – EMPLOYEE BENEFIT PLANS – continued

Pension – continued

Cost-Sharing Defined Benefit Plans As required by Governmental Accounting Standards Board Statement No. 68, Accounting and Financial Reporting for Pensions (GASB 68), this report includes the allocation of the collective net pension liability and associated pension expense, deferred outflows of resources and deferred inflows of resources for each of the participating employers in the system's cost-sharing, multiple employer defined benefit plans:

- The Florida Retirement System (FRS) Pension Plan is a cost-sharing, multiple-employer qualified defined benefit pension plan with a Deferred Retirement Option Program (DROP) available for eligible employees. The FRS was established and is administered in accordance with Chapter 121, Florida Statutes. The Florida Legislature establishes and amends the contribution requirements and benefit terms of the FRS Pension Plan. Retirees receive a lifetime pension benefit with joint and survivor payment options. FRS membership is compulsory for employees filling regularly established positions in a state agency, county agency, state university, state community college, or district school board, unless restricted from FRS membership under sections 121.053 and 121.122, Florida Statutes, or allowed to participate in a nonintegrated defined contribution plan in lieu of FRS membership. Participation by cities, municipalities, special districts, charter schools and metropolitan planning organizations is optional.
- The Retiree Health Insurance Subsidy (HIS) Program is a cost-sharing, multiple-employer defined benefit pension plan established and administered in accordance with section 112.363, Florida Statutes. The Florida Legislature establishes and amends the contribution requirements and benefit terms of the HIS Program. The benefit is a monthly payment to assist retirees of the state-administered retirement systems in paying their health insurance costs. For the fiscal years ended June 30, 2022 and 2021, eligible retirees and beneficiaries received a monthly HIS payment equal to the number of years of service credited at retirement multiplied by \$5. The minimum payment is \$30, and the maximum payment is \$150 per month, pursuant to section 112.363, Florida Statutes. To be eligible to receive a HIS benefit, a retiree under one of the state-administered retirement systems must provide proof of eligible health insurance coverage, which may include Medicare.

Over 1,000 participating employers are served by the two defined benefit plans. Of these, more than 900 employers, referred to as reporting employers, report payroll and remit contributions to the division for their covered employees and, in some cases, for the covered employees of associated participating employers.

The HIS Program is funded by required contributions from FRS participating employers as set by the Legislature. Employer contributions are a percentage of gross compensation for specified employees. HIS contributions are deposited in a separate trust fund from which HIS payments are authorized. HIS benefits are not guaranteed and are subject to annual legislative appropriation. In the event the legislative appropriation or available funds fail to provide full subsidy benefits to all participants the legislation may reduce or cancel HIS Payments.

FRS members enrolled before July 1, 2011, are eligible for retirement after vesting, which may occur at six (6) years (8 years after July 1, 2011) of creditable service for regular members. Normal retirement age is attained at the earlier of thirty (30) years of creditable service, regardless of age or retirement at age 62 with at least six (6) years of creditable service. Early retirement may be taken anytime; however, there is a five percent (5%) benefit reduction for each year prior to normal retirement age (less than thirty (30) years of service or 62 years of age) for regular members. Members are also eligible for in-line-of-duty or regular disability benefits if permanently disabled and unable to work. Benefits are computed on the basis of age, average final compensation and service credit. FRS members enrolled subsequent to July 1, 2011 are subject to different benefits.

**SEMINOLE COUNTY PORT AUTHORITY
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2022 AND 2021**

NOTE 3 – EMPLOYEE BENEFIT PLANS – continued

Benefits Provided

Benefits under the FRS Pension Plan are computed on the basis of age and/or years of service, average final compensation, and service credit. Credit for each year of service is expressed as a percentage of the average final compensation. For members initially enrolled before July 1, 2011, the average final compensation is the average final compensation of the eight highest fiscal years' earnings. The total percentage value of the benefit received is determined by calculating the total value of all service, which is based on the retirement plan and/or class to which the member belonged when the service credit was earned.

Funding Policy / Contributions

The FRS has nine (9) classes of membership. Only two (2) classes are applicable to the Authority's eligible employees. These two (2) classes, with descriptions and contribution rates in effect during the period ended September 30, 2022, are as follows:

Regular Class - Members not qualifying for other classes; 10.82% rate October 1, 2021 to June 30, 2022, and 11.91% rate July 1, 2022 to September 30, 2022.

Senior Management Service Class - Members of senior management who do not elect the optional annuity retirement program; 29.01% rate October 1, 2021, to June 30, 2022 and 31.57% rate July 1, 2022 to September 30, 2022.

These rates include the normal cost and unfunded actuarial liability contributions but do not include the 1.66% contribution for the Retiree Health Insurance Subsidy.

Contributions are based on an actuarial review by FRS. The Authority's contributions for the three (3) years ended September 30, 2022, 2021 and 2020 were made in accordance with actuarially determined contribution requirements and amounted to approximately, \$46,000, \$41,000 and \$38,000, representing approximately 24%, 22% and 20%, respectively, of covered payroll. FRS members are required to make a pretax contribution of 3% of gross salary toward their pension. Contribution rates are in agreement with the actuarially determined rates.

Pension Liabilities and Pension Expense

On September 30, 2021, the Authority reported a liability for its proportionate shares of the net pension liability. The net pension liability for the FRS Pension Plan was measured as of July 1, 2021, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation dated July 1, 2021. The HIS actuarial valuation was prepared as of July 1, 2021, and update procedures were used to determine liabilities as of July 1, 2020. The Authority's proportions of the net pension liabilities were based on the Authority's share of contributions to the pension plans relative to the contributions of all participating entities, actuarially determined.

	<u>FRS</u>	<u>HIS</u>	<u>Total</u>
Net pension liability at September 30, 2022	\$ 353,095	\$ 55,084	\$ 408,179
Net pension liability at September 30, 2021	\$ 74,374	\$ 64,868	\$ 139,242
Proportion at:			
June 30, 2022	0.00009489760	0.00000520072	
June 30, 2021	0.00009845770	0.00000528825	
Pension expense, year ended			
September 30, 2022	\$ 40,495	\$ 3,147	\$ 43,642
September 30, 2021	\$ 37,508	\$ 3,108	\$ 40,616

**SEMINOLE COUNTY PORT AUTHORITY
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2022 AND 2021**

NOTE 3 – EMPLOYEE BENEFIT PLANS – continued

Deferred Outflows/Inflows of Resources Related to Pensions

In accordance with GASB 68, paragraphs 54 and 71, changes in the net pension liability are recognized in pension expense in the current measurement period, except as indicated below. For each of the following, a portion is recognized in pension expense in the current reporting period, and the balance is amortized as deferred outflows or deferred inflows of resources using a systematic and rational method over a closed period, as defined below:

- Differences between expected and actual experience with regard to economic and demographic factors – amortized over the average expected remaining service life of all employees that are provided with pensions through the pension plan (active and inactive employees)
- Changes of assumptions or other inputs – amortized over the average expected remaining service life of all employees that are provided with pensions through the pension plan (active and inactive employees)
- Changes in proportion and differences between contributions and proportionate share of contributions - amortized over the average expected remaining service life of all employees that are provided with pensions through the pension plan (active and inactive employees)
- Differences between expected and actual earnings on pension plan investments – amortized over five years

Employer contributions to the pension plans from employers are not included in collective pension expense; however, employee contributions are used to reduce pension expense. The average expected remaining service life of all employees provided with pensions through the pension plans at June 30, 2022, was 5.7 years for FRS and 6.4 years for HIS. The components of collective pension expense reported in the pension allocation schedules for the fiscal year ended June 30, 2022, are presented below for each plan.

Deferred outflows of resources related to employer contributions paid subsequent to the measurement date and prior to the employer's fiscal year end will be recognized as a reduction of the net pension liability in the reporting period ending September 30, 2020. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pension expense will be recognized as follows:

	FRS Expense	HIS Expense
Year ending September 30,		
2023	\$ 20,210	\$ (923)
2024	7,626	(498)
2025	(6,825)	(228)
2026	59,383	(504)
2027	3,175	(1,169)
Thereafter	-	(533)
Total	\$ 83,569	\$ (3,855)

**SEMINOLE COUNTY PORT AUTHORITY
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2022 AND 2021**

NOTE 3 – EMPLOYEE BENEFIT PLANS – continued

Actuarial Assumptions

The total pension liability for each of the defined benefit plans was determined by an actuarial valuation as of July 1, using the entry age normal actuarial cost method and the following significant actuarial assumptions:

	2022		2021		Change	
	FRS	HIS	FRS	HIS	FRS	HIS
Inflation	2.40%	2.40%	2.40%	2.40%	0.00%	0.00%
Payroll growth	3.25%	3.25%	3.25%	3.25%	0.00%	0.00%
Investment rate of return	6.7%	3.54%	6.8%	2.2%	-0.1%	1.4%

Mortality assumptions for both plans were based on the Generational RP-2000 with Projections Scale BB tables.

Actuarial assumptions for both cost-sharing defined benefit plans are reviewed annually by the Florida Retirement System Actuarial Assumptions Conference. The FRS Pension Plan has a valuation performed annually. The HIS Program has a valuation performed biennially that is updated for GASB reporting in the year a valuation is not performed. The most recent experience study for the FRS Pension Plan was completed in 2018 for the period July 1, 2013, through June 30, 2018. Because the HIS Program is funded on a pay-as-you-go basis, no experience study has been completed for this program. The actuarial assumptions that determined the total pension liability for the HIS Program were based on certain results of the most recent experience study for the FRS Pension Plan.

Discount rate

The discount rate used to measure the total pension liability for FRS was 6.7%. FRS' fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the discount rate for calculating the total pension liability is equal to the long-term expected rate of return.

Because the HIS Program uses a pay-as-you-go funding structure, a municipal bond rate of 3.54% was used to determine the total pension liability for the program. The Bond Buyer General Obligation Bond 20-Bond Municipal Bond Index was used as the applicable municipal bond index.

Sensitivity Analysis

The following tables demonstrate the sensitivity of the net pension liability to changes in the discount rate. The sensitivity analysis shows the impact to the Authority's proportionate share of the net pension liability if the discount rate was 1% higher or 1% lower than the current discount rate.

	2022			2022		
	FRS			HIS		
	1% Decrease	Current Discount Rate	1% Increase	1% Decrease	Current Discount Rate	1% Increase
Authority's proportionate share of the net pension liability	(5.70%)	(6.70%)	(7.70%)	(2.54%)	(3.54%)	(4.54%)
	\$610,854	\$353,095	\$137,707	\$63,897	\$55,084	\$47,923

Sensitivity Analysis - continued

	2021			2021		
	FRS			HIS		
	Current Discount			Current Discount		
	1% Decrease (5.80%)	Rate (6.80%)	1% Increase (7.80%)	1% Decrease (1.16%)	Rate (2.16%)	1% Increase (3.16)
Authority's proportionate share of the net pension liability	\$332,452	\$74,374	\$(141,311)	\$75,247	\$64,868	\$56,435

Pension Plans' Fiduciary Net Position

Detailed information about the pension plan's fiduciary net position is available in the State's separately issued financial reports.

Payables to the Pension Plans

As of September 30, 2022, the Authority did not have an outstanding payable to the plans for regular employee and employer contributions that were legally required to be paid to the plans but not remitted prior to the end of the year.

Deferred Compensation Plan

The Authority offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 457. The Plan, available to all Authority employees, permits them to defer a portion of their salary until future years. The deferred compensation is not available to employees until termination, retirement, death, or an unforeseeable emergency. The plan assets are held and administered by a third party; thus, the assets and related liabilities are not reflected in these financial statements.

NOTE 4 – COMPENSATED ABSENCES

Accumulated unpaid annual leave benefit amounts at September 30, 2022 and 2021 are approximately \$5,800 and \$5,800, respectively; and accrued sick leave is approximately \$9,200 and \$9,200 respectively.

**SEMINOLE COUNTY PORT AUTHORITY
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2022 AND 2021**

NOTE 5 – OPERATING LEASES

The Authority leases land, buildings, and offices at fair market value for lease terms of varying length. Most non-cancelable leases include clauses allowing for adjustment of lease payments based upon market conditions.

Capital assets held for leasing:

Land, right-of-way and improvements	\$	3,591,139
Buildings and improvements		14,710,691
		18,301,830
Less accumulated depreciation		11,169,675
Carrying value	\$	6,532,155

Contractual minimum lease receipts due to the Authority for future years are as follows:

Year Ending September 30,		
2023	\$	1,628,663
2024		571,967
	\$	2,200,630

NOTE 6 – RISK MANAGEMENT

The Authority is exposed to various risks of loss related to torts; theft of damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters for which the Authority carries commercial insurance. Settled claims have not exceeded the specified commercial coverage limitations for the past three (3) years. There have been no significant reductions in insurance coverage from the past year.

NOTE 7 – COMMITMENTS

At various times there may be suits and/or potential claims arising in the ordinary course of the Authority's operations. While the ultimate effect of such potential claims/ litigation cannot be ascertained at this time, management believes, based on the advice of legal counsel, that there will be no material effect on the Authority's financial position and that the Authority has sufficient insurance coverage to cover any claims.

The Authority entered into an employment agreement with its Administrator for a three-year term ending February 2022. The agreement automatically renewed for an additional three years. The Administrator or Authority can terminate this agreement at any time, with appropriate written notice. If the agreement is terminated without cause by the Authority, the Administrator will receive five months of severance pay.

The Authority entered into a three-year landscaping service agreement that expires as of December 31, 2023. The future payment is as follows for September 30:

2023	\$	9,983
Total	\$	9,983

**SEMINOLE COUNTY PORT AUTHORITY
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2022 AND 2021**

NOTE 8 – CONCENTRATION OF CREDIT RISK

As noted above, The Authority operates an industrial park in Seminole County, Florida; as such the Authority is generally dependent on the economic health of Seminole County. As of September 30, 2022, revenues from six (6) tenants (some tenants may occupy multiple locations) accounted for approximately 33% of the Authority's rental income. In addition, three of the tenants above are in the RV and Marina/Boating industry.

NOTE 9 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through January 31, 2023, the date the financial statements were available to be issued.

NOTE 10 – LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The Authority manages its liquid resources by focusing on maximizing its revenues where possible so that it has adequate revenue to cover the necessary expenses. They prepare detailed budgets and projected cash flow analysis and is very active in managing its expenses and cash flows to maximize liquidity. The Authority does not have a line of credit in the event of experiencing an unexpected lag between the receipt of revenue. In the event revenues are delayed they would prioritize expenses and capital improvements in order to maintain the needed liquidity.

The following reflects the Authority's financial assets as of the statement of net position date, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of the statement of net position date.

	September 30,	
	2022	2021
Financial assets at year-end:		
Cash and cash equivalents	\$ 3,880,723	\$ 2,848,828
Less those unavailable for general expenditures within one year, due to:		
Designated for:		
Operating and catastrophic events	537,870	485,093
Capital improvements planned for 2022/2023	1,300,000	-
Capital improvements planned for 2021/2022	-	1,500,000
	1,837,870	1,985,093
Accounts payable and other current liabilities	56,094	70,601
Total Financial Assets restricted for use	1,893,964	2,055,694
Financial assets available to meet cash needs for general expenditure within one year	\$ 1,986,759	\$ 793,134

The Authority's goal is to maintain financial assets to meet 180 days of operating expenses and sufficient level of cash to be able to pay deductibles in the event of a catastrophic event, this amount is currently estimated to be approximately \$500,000.

**SEMINOLE COUNTY PORT AUTHORITY
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2022 AND 2021**

NOTE 11 – NEW ACCOUNTING PRONOUNCEMENTS

The Governmental Accounting Standards Board (GASB) issued several pronouncements that are effective for these financial statements. These are:

- GASB Statement 87 – Leases
- GASB Statement 89 – Capitalization of Interest
- GASB Statement 92 – Omnibus
- GASB Statement 93 – Replacement of Interbank Offered Rates
- GASB Statement 97 – Certain Component Unit Criteria and Section 457 Plans
- GASB Statement 98 – The Annual Comprehensive Financial Report
- GASB Statement 99 – Omnibus 2022

Management has ascertained that none of these professional pronouncements effective for this year had any discernable impact on the Authority.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Board of Directors
Seminole County Port Authority
Sanford, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities of the Seminole County Port Authority (the "Authority") as of and for the year ended September 30, 2022 and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements and have issued our report thereon dated January 31, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Authority's internal control over financial reporting internal control as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audits we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

However, we did identify several deficiencies deemed relevant to communicate to management and the board of governance – see comments 2022-1, 2022-2 on page 37.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audits, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Response to Findings

The Authority's response to the findings identified in our audit is described in the accompanying schedule of findings and recommendations. The Authority's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**SEMINOLE COUNTY PORT AUTHORITY
INDEPENDENT AUDITORS' MANAGEMENT LETTER
SEPTEMBER 30, 2022**

Board of Directors
Seminole County Port Authority
Sanford, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the Seminole County Port Authority (the "Authority"), a component unit of Seminole County, Florida, which comprise the statements of financial position, statements of revenue, expenses and changes in financial position and cash flows as of and for the year ended September 30, 2022 and have issued our report thereon dated January 31, 2023.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Auditor General.

Other Report

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*. Disclosures in that report, which is dated January 31, 2023, should be considered in conjunction with this management letter.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Seminole County, Seminole County Port Authority Directors and management, and is not intended to be and should not be used by anyone other than these specified parties.

**SEMINOLE COUNTY PORT AUTHORITY
INDEPENDENT AUDITORS' MANAGEMENT LETTER (CONTINUED)
SEPTEMBER 30, 2022**

2022-1 – Internal Control

The study and evaluation of internal control disclosed that one person has the primary responsibility for most of the accounting and financial duties. As a result, many of those aspects of internal control which rely upon an adequate segregation of duties are, for all practical purposes, missing in the Authority. We recognize that the Authority is not large enough to make the employment of additional people cost effective for the purpose of segregating duties. We also recognize that this condition is quite common in many small organizations. Increased involvement of the Board of Directors mitigates, to a limited degree, for the absence of adequate segregation of duties.

This is a repeat comment reported in each year since the fiscal year ending September 30, 2010.

2022-2 – Improve Knowledge of Internal Control over Financial Reporting

The person responsible for the accounting and reporting function lacks the skills and knowledge to apply generally accepted accounting principles in recording the entity's financial transactions or preparing its financial statements and related disclosure. The basis for this control issue is that the auditor cannot be considered part of the Authority's internal control (i.e., cannot be substituted for elements within the Authority's internal control system.)

We bring this condition to your attention in accordance with professional standards, but we recognize that it requires your assessment of a cost-effective solution. Alternative solutions might include training accounting staff, hiring additional staff or engaging outside consultants or obtaining assistance from knowledgeable volunteers to prepare financial statements in accordance with generally accepted accounting principles.

This is a repeat comment reported in each year since the fiscal year ending September 30, 2010.

Management's Response

Management agrees with the auditors' internal control findings noted above. Management's ability to respond to these findings is limited by the size of the organization. It is not financially feasible to have enough people on the staff of an organization of this size to adequately segregate duties as well as prepare and maintain financial statements in accordance with generally accepted accounting principles. Management has mitigated for these internal control deficiencies by increasing the involvement of the Board of Directors.

Specifically, the following additional actions are performed on a recurring basis to compensate for the lack of segregation of duties:

- The Board approves all expenses and purchase commitments each month.
- Two Board member signatures are required on all checks disbursed.
- The Board reviews the monthly financial reports, including balance sheet profit and loss and the budget statement.
- The Board approves employee salary levels, bonuses, raises and benefits.
- The Board reviews all new and renewing tenant leases terms and conditions.
- The Board approves the write-off of outstanding A/R balances.
- The Board reviews the occupancy rate on a monthly basis.

The financials are maintained on the modified cash basis and would receive no management or economic benefit in maintaining the internal financial statements on the full accrual basis.

**SEMINOLE COUNTY PORT AUTHORITY
INDEPENDENT AUDITORS' MANAGEMENT LETTER (CONTINUED)
SEPTEMBER 30, 2022**

Other Matters

Our audits were conducted in accordance with the provisions of Chapter 10.550, Rules of the Auditor General, which governs the conduct of local governmental entity audits performed in the State of Florida.

- Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. The findings and recommendations made on the preceding page are repeat comments.
- Section 10.554(1)(i)2., Rules of the Auditor General, requires that we address in the management letter any recommendations to improve financial management. In connection with our audits, we have noted such recommendations on the preceding page.
- Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The Authority was formed July 15, 1966, under the provision of Chapter 65-2270 of the State of Florida. This provision was subsequently repealed and re-enacted to Chapter 2010-240 of the Laws of Florida. The Authority does not have any component units.
- Pursuant to Sections 10.554(1)(i)5b and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures. It is management's responsibility to monitor the Authority's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same.
- The Authority is not required to file a separate financial report with the Department of Financial Services because it is a component unit of Seminole County and is included in the County's filing.
- Based on our audit procedures performed, we determined that the Authority did not meet any of the conditions described in Section 218.503(1), Florida Statutes.
- Rules of the Auditor General, requires, that we communicate the failure of a special district that is a component unit of a county, municipality, or special district, to provide the financial information necessary for proper reporting of the component unit within the audited financial statements of the county, municipality, or special district in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we did not note this situation.
- As required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6, Rules of the Auditor General, the Authority reported:
 - a) The total number of Authority employees compensated in the last pay period of the Authority's fiscal year as two.
 - b) The total number of independent contractors to whom nonemployee compensation was paid in the last month of the Authority's fiscal year as one.
 - c) All compensation earned by or awarded to employees, whether paid or accrued, including annual and sick leave is \$192,938.
 - d) All compensation earned by or awarded to nonemployee independent contractors, whether paid or accrued is \$13,330.

**SEMINOLE COUNTY PORT AUTHORITY
INDEPENDENT AUDITORS' MANAGEMENT LETTER (CONTINUED)
SEPTEMBER 30, 2022**

Other Matters - continued

- e) Each construction project with a total cost of at least \$65,000 approved by the Authority that is scheduled to begin on or after October 1 of the fiscal year being reported, together with the total expenditures for such project as no construction project of the district met the total cost threshold of \$65,000.

- f) A budget variance based on the budget adopted under Section 189.016(4), Florida Statutes, before the beginning of the fiscal year being reported if the Authority amends a final adopted budget under Section 189.016(6), Florida Statutes, as follows: The Authority's original budget totaled \$4,532,550 and was amended by the total amount of \$601, for final budgeted expenditures of \$4,531,949

STATUS OF PRIOR YEAR COMMENTS

See 2022-1 and 2022-2 on Independent Auditors' Management Letter.

**INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE WITH
FLORIDA STATUTES 218.415 – INVESTMENTS OF PUBLIC FUNDS**

Board of Directors
Seminole County Port Authority
Sanford, Florida

We have examined the Seminole County Port Authority's (the Authority) compliance with Section 218.415, Florida Statutes during the fiscal year ended September 30, 2022. Authority management is responsible for the Authority's compliance with those requirements. Our responsibility is to express an opinion on the Authority's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Authority complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Authority complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Authority's compliance with specified requirements.

In our opinion, the Seminole County Port Authority complied, in all material respects, with the aforementioned requirements for the fiscal year ended September 30, 2022.

This report is intended solely for the information and use of the Florida Auditor General, the Board of Directors of the Seminole County Port Authority, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.
